**February 23, 2021**

**Magistrate Judge Stewart D. Aaron  
U.S. District Court  
500 Pearl Street  
New York, New York 10007-1312**

**SUBJ: Compliance with ECF no. 173, 1:18-cv-08653-VEC-SDA**

**Your Honor,**

1. At the outset, please ignore ECF doc. no. **217** which is a straggler paper document that was lost by the U.S. Postal Service and delayed in delivery. This document is moot and a legal nullity (**Dkt. 217**). **Dkt. 217 duplicates Dkt. 213.** Dkt. 213 was filed electronically when **Dkt. 217** was believed to be lost in the mail. **Dkt. 217** arrived a week behind schedule.

***Plaintiff Respectfully Requests a Sworn List of Social Accounts from Defendant***

2. As you know ECF doc. no. **173** has placed a duty and burden upon the Defendant to product the following (see item (1)(d), page 2, **Dkt. 173**).

*d) For the period from June 14, 2015 to the present, identify each social media account, including platform and username, used by Defendant to post Plaintiff's name and/or picture.*

3. The Defendant has stated in an objection to the above requirement (**Dkt. 204**):

*d. Defendant objects to this request as being overbroad, excessively burdensome and redundant. Defendant had never heard of Plaintiff prior to 2017 and is unaware of documents pertaining to Plaintiff prior to 2017. Plaintiff has gone to great lengths identifying documents that refer to Plaintiff and/or display his picture. To the best of Defendant's knowledge none exist in addition to those already identified.*

4. The Defendant makes use of several proxy social media accounts that contain defamatory materials. The Plaintiff is obligated to present an index of defamatory statements, with source links, to this Court as part of discovery.

5. The Defendant's use of proxy accounts (such as the CRAZY\_DAVE proxy account – see **EXHIBITS – PART ONE**) severely complicates the discovery response activity of the Plaintiff. The BitChute CRAZY\_DAVE account is just one of several problematic proxy accounts and the complications created for discovery by these accounts. The ownership of the BitChute CRAZY\_DAVE proxy account controversy has been swelling for over two years (see **EXHIBITS – PART ONE**). **Enough is enough.**

6. The Court should require the Defendant, as stated in item (1)(d), page 2, **Dkt. 173**, to provide a list of social media accounts that Defendant has accessed for the purposes of uploading, posting, or editing artifacts about the Plaintiff.

7. It is a reasonable request by the Plaintiff to properly scope the breadth of discovery. The Defendant needs to provide a sworn statement as to the social media accounts where data, images, videos, or other artifacts concerning the Plaintiff have been posted. This list may only involve 20-30 sites and is not an overly burdensome request.

8. The **EXHIBITS – PART TWO** section (attached) provides the Court with a small sampling of the myriad of accounts maintained by the Defendant. There is a need for the Plaintiff to identify these accounts by account name and platform. Such a sworn statement with a social media index of platforms where material was/is posted is absolutely necessary.

9. This situation is even more account as some of these accounts, such as the YouTube.Com “CrowdSource The Truth 2” account, the Periscope “CrowdSource The Truth” account, the FaceBook “Jason Goodman” account and many other accounts have been deleted recently. Some of these accounts used the name Jason Goodman, some CrowdSource The Truth, some 21stCentury3D, etc.

10. The unnecessarily cumbersome burden is being placed upon the Plaintiff to engage in “heads or tails” guesswork in evaluating the 20-30 social media accounts (and possibly many others) that the Defendant operates with a variety of names and proxy names.

11. A sworn statement providing such an index will not be a burden to the Defendant. The lack of such an index creates a prejudicial environment against the Plaintiff.

Respectfully,

D. George Sweigert

Incidentally, I cannot wait to interview you in prison or a mental hospital. Which do you think you might prefer? You are about to lose Dave, you may not see it, but it is becoming clearer every day. Your desperation is obvious and the more you press on this, the worse the outcome for you is going to be. You are a shameful coward, a disgrace to your family, the Air Force and this country and you will rue the day you challenged me.

Attached is the legal theory that supports a cause of action against Patreon, INC for aiding and abetting the alleged wire fraud racketeering activities of Jason Goodman.

Mr. Goodman has been warned, as has Patreon, INC., about the non-stop public distribution of false information with the intended purpose to defraud patrons of "CrowdSource The Truth" and the individual known as "DAVID SWEIGERT".

It is suggested that all parties use prudent caution and consult with an appropriate attorney.

Mr David Sweigert,

Your ongoing harassment of me is not legitimate legal action. Every person receiving this message knows that no actual lawyer and no legitimate legal action would communicate via anonymous email in the way you repeatedly have.

You have persistently harassed me, and in this case, business associates of mine that are totally unrelated to bitchute.com or activity on bitchute.com by me or anyone else. Furthermore, you have presented no evidence whatsoever that I or anyone affiliated with me is responsible for uploading the video files you have referred to on bitchute.com. You could have easily done this yourself as a pre-text or further motivation to send harassing anonymous emails and threats.

You yourself created the videos in question, and the CRAZY\_DAVE bitchute account you refer to shows no clear connection to me or my business endeavors. It is not monetized in any way that I observe and does not reference my business in a promotional manner or advertise my endeavors in any way. Bringing it to the attention of business associates of mine along with your baseless allegations and threats of legal action against myself and my associates is clearly a malicious act of tortious interference on your part and represents significant legal exposure for you.

To clarify further, it remains unclear if the bitchute channel in question violates copyright law in the way you allege. It may in fact be protected by "fair use" under the Digital Millennium Copyright Act, but that in and of itself would be up to the determination of a judge. I have heard on the internet that this particular bitchute channel is intended to be an evidence repository. The video content on it would appear to demonstrate your own criminal intent to harass and intimidate myself and others as you have for the past 12+ months and continue to in an ongoing fashion.

The irony here is that your repeated and aggressive attempts to suppress this information are IN FACT spoliation of evidence with regard to your ongoing criminal harassment of me. That is the assessment of Special Agent Brittany Custer of the FBI, to whom I have given an extensive report of your actions. In the state of California, where you reside, spoliation of evidence is a very serious offense. Sanctions can include the dismissal of claims or defenses, preclusion of evidence, and the granting of summary judgment for the innocent party.

I must warn you yet again to discontinue your ongoing harassment of myself and my business associates. The civil legal and criminal exposure you are creating for yourself only puts you at risk and is not effective in intimidating me or the legal teams of the corporations you continue to harass.

Dear Mr. Goodman,

In the previous e-mail message the attached documents speak for themselves.

Corporations have a right to know that they will be named as defendants in legal actions related to your criminal copyright infringement and other racketeering activities.

For your review two new court documents are attached which depict your use of the social media platform PATREON to carry on your alleged racketeering activities.

This message is designed to warn BITCHUTE so that they may avoid troublesome litigation and other unpleasant realities. There is a requirement to provide adequate notice to potential defendants.

You may wish to consult an attorney.

Warm regards,

Susan "Queen Tut" Lutzke/Holmes Reveals David Sweigert – Robert David Steele Lawsuit Conspiracy

Susan Lutzke aka Susan Holmes aka Queen Tut is a horrible but frequent liar. She recently called me, revealing a long suspected conspiracy between her, D. George "Acton" Sweigert and Robert David Steele. While nothing she says can be believed at this point, how else would David Sweigert know the true identity of Oakey Marshall Richards were this particular admission not true? The sinister plans of these malicious social engineers are being revealed before our eyes as the fraudulent and vexatious lawsuit brought by Steele continues to crumble.
